(No longer a committee/position—no NDVTA volunteers needed)

The more people involved in committees/our association, the smoother our association runs and therefore benefits you as a member especially when it comes to CE. Please realize the executive board is volunteer run as well and these members have numerous other duties for the association and need the help from committees. If you wish to volunteer for a committee please contact a board member or the committee chairperson. If you would like to volunteer to run for a board member position please contact a board member.
